Utility bills, including service and penalty charges, are due and payable upon presentation. They are delinquent if not paid on or before the "Due Date" printed on front of the Utility Service Bill. A 10% penalty is assessed to past due balances.					
If your account is past due, shut-off notices are mailed by the 20th of the month. Shut-off will be the 2nd Wednesday of every month. If over-due payments are not received in our office or in the drop box by 4:30pm on the due date there will be an additional \$25.00 delinquent fee assessed. The past due amount plus the delinquent fee must be paid no later than Tuesday by 4:30pm to avoid water shut-off Wednesday morning. If we do not receive payment before 2:00pm on Wednesday water service will not be reconnected until the following business day. If you are not able to pay this bill within the required time frame, you must contact the Payment Center during office hours.
